# Traditional accounting firms are stuck in the 90s – you deserve a CFO who truly understands tech

## Flow Partners

## Generic CFO Service Providers

Exclusive focus on technology 	<b>Focus</b>	 Tries to cater for all industries
Combined 40+ years in tech investment banking + startup operating experience (we are entrepreneurs!) 	<b>Experience</b>	 Usually lacks corporate finance and VC ecosystem expertise; generic “9-5” mindset
CFO and growth focused: FP&A, investor-ready reporting, board packs, KPI-driven modelling 	<b>Offering</b>	 Accounts focused with aim to provide a hierarchy of finance expertise; limited KPI analysis
Transparent SaaS-like pricing, flexible tiers 	<b>Pricing</b>	 “On request” pricing with minimum contract length
M&A, fundraising and strategic advice 	<b>Strategic Support</b>	 No strategy / corporate finance support

# We deploy leading software tools to help supercharge startup financial reporting

Bring your financial planning into the digital age, by using a modern FP&A software stack.

We will help you choose the right provider to boost your forecasting capabilities, headcount planning, predictive analytics, and improve financial consolidation.
